## MENPHIS APPEAL.

MEMPHIS. WEDNESDAY, :: : NOVEMBER 22, 1865.

their observation, in the localities in which they may be dispersed. It is our wish to apread a board ample enough for all the old Appeal, family, and around which old associates and friends may meet and commune with each other, however widely separated by mere geographical disasses.

The present will be considered the interior the bistory of this country. The present will be considered the most important epoch in the bistory of this country, and the enuming year will probably decide whether our form of government is best to promote the happiness of mankind.

The present will be considered the most fine bistory of this country. The present will be considered the most fine bistory of the road was very bad, and the greater of the road w

the paramount importance—the vital necessity—of doing their whole-duty in this energency. We arrogate to our series and turned them over, together with all the public property, to the authorities of the United States) might have the privilege of speaking plainly to our Southern bestbren. We do so in all sincerity whon we distinctly when we distinctly when we distinctly the General Government the ferred to projective the relation of the Possible property and the scarcity of rolling stock, I cannot always and it was thought test to refer the whole days and it was thought best to refer the color, I, among others, have a being able to get down any of their having and turned them over, together with all the public property, to the authorities of the United States) might have severed speaking plainly to our Southern bestbreak was accorded to us, when we lay claim to the privilege of speaking plainly to our Southern bestbreak was accorded to us, when we lay claim to the privilege of speaking plainly to our southern bestbreak was accorded to us, when we distinctly when we distinctly when we distinctly then we distinctly then we distinctly then we distinctly then the scarcity of rolling stock, I cannot to distinct the country of the limited States of the projecty that of a few thought does the continuous limit the stated that the switch leader who probably caused the terrible desauter with probably caused the terrible desauter on the Jersey railroad, is so nearly an idea of the long of the attempts at a complete restoration of the the whole country.

actment of those measures considered the Colon. even by their best friends essentially If the President had been one of us, and contracted during the practical operation of the several ordinances of seversion and to adopt the amendment of the Conattution forever abailshing slavery throughout the United States. The measures, with a liberal system of legis-

lation adapted to the altered condition of

the negro population, will, if perfect

of once, leave no prefext for further acit. tion, and put the friends of Souther equality in a position happrognable to the assaults of the enemies of union and fraternal concent. "It is to be much regretted, that, in cor nection with this particular matter, som ill-advised lournals at the North have carped at the indicious and sound adviwhich our beloved President has from time to time given, as savoring of dictation, and have gravely involved countitie tional scruples as to its propriety Nothing surely, could be in worse tasteas, certainly, nothing could be more illogical and for-fetched. The States latel in rebellion are now and have been sinthe surrender of Lee and Johnson as der martial law. The present Executive mon coming into power, found them i this condition. But desirons, as soon cossible that they should assume their ormer relations to the General Govern ment, he insugurated a plan for this pur pose, for the encouse of which, it was it Repensable that those Stutes should be classically degiciation adjust their domtic system so as to harmonize it with the state of things inexprobly resulting fro theat. He advised us to the proper course to be pursued. The advice could be re garded or not. If taken, the way to p ciffestion would be made the clearernot, the delinquent States would remain as he found them. There was no dieta tion, much less semblance of infraction of the letter or spirit of the Constitut We are happy to be able to add that Southern journal, to our knowledge, ha taken such view of the action of or Chief Magistrate. On the contrary the unanimous voice attest the appreciation

exertions in their behalf. "Let t be South do its whole dutand however unfavorable the aspect of things may now appear, a brighter and better day will not be far distant." The plain English of all this is, the President Journon finds himself subjected to a pressure from the Radicals, the holds back from adopting the measure he has time and again indicated, as making up his plan of reconstruction. Th question is parrowed flown to the alter native of frankly coming up to his help.
